AT YOUR SCHOOL (ON-SITE WORKSHOPS)

MONTRÉAL WITH A PROFESSIONAL GUIDE

An **accredited guide** will talk about their profession, about Montréal and the history of its founding, from New France up until today. They will also discuss the precolonial period and the First Nations. The activity will be enriched with question and answer segments, quizzes, historical and contemporary photos, videos, and trips to the heart of the city using Google Earth, as though you were there in person!

THE LIFE OF A MONTRÉAL GHOSTS ACTOR

Meet a **professional actor**, member of the *Union des artistes*, and learn more about their career path (theatre, TV, ads, voice work, work as an extra, clowning, etc.). The actor will share with the class the highs and lows inherent to the profession, and will follow this with a live makeup and costume demonstration. Once the transformation into a "ghost" is complete, he or she will perform an excerpt of their Montréal Ghosts performance, sharing a somewhat darker side of New France.

SCHOOLS OF A BYGONE ERA

The workshop facilitator will talk about schools in the time of the students' grandparents and great-grandparents, that is to say, Québec schools of the **1950s and 1960s**. Historical photos, anecdotes, discussions on conditions at the schools, the customs and traditions observed there, as well as the differences between city schools and country schools, will help immerse students in another era, which they will be able to compare to their current reality.

Workshops last 60 to 75 minutes approximately.

Available and customizable for students from 3rd grade to secondary 5.

The rates are listed per workshop, and this same workshop may be run up to a maximum of four times in the day.

Note: Rates indicated are for schools located within a 75-minute radius of Montréal's downtown core (75 minutes without traffic as according to Google Maps). For every 30-minute period of additional travel time, a \$30 fee will be added.
