DESIGN YOUR MONTRÉAL

Perfect for childcare services provided at school on pedagogical days or for a special day during class

Presented at your school, **Design Your Montréal** is an activity comprised of four hands-on creative workshops that allow **elementary level** students to better discover their city. What is the key word for the day? FUN!

Over the course of one day, Montréal experts from Guidatour will get students to learn about Québec's metropolis and to define "their Montréal", all while having lots of fun.

Workshop 1: Montréal Murals

Several murals will be presented to students, followed by an opportunity to discuss their meaning. As a group they will then create a collaborative mural.

Workshop 2: Montréal Skyscrapers

The facilitator will present some of the city's most iconic buildings to students. In teams, armed with wooden sticks and clothes pins, students will then be challenged to build the highest tower possible.

Workshop 3: Montréal, Sports City

Students will be invited to play sports themed bingo. They will choose amongst images provided to create a bingo card starring their favourite Montréal teams and players. They will also get a chance to move a bit, thanks to short sport challenges.

Workshop 4: Iconic Montréal

After discovering the city's most iconic elements and having discussed with the facilitator what best represents Montréal for them, students will use salt dough to recreate their favourite emblem.

Student (80 to 160)	$27.75

Schedule: From 9:30 a.m. to 3:00 p.m. including 4 workshop of 55 minutes and a 90-minute lunch break.
Minimum group size: **80** students in four class groups (a ratio of approximately 20-25 students per facilitator).
Note: Travel expenses of $1.10 per kilometre, round trip, starting from Guidatour's offices, will be charged. Guidatour will travel within an 60-kilometre radius maximum. Please enquire with us if you would like to customize the activity for smaller groups, for more classes or students, or if you would like to book half a day (two workshops instead of four).
